

**SOUTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD MEMBER
TRUSTEE AREA 7**

NAME: TIMOTHY “TIM” JEMAL
OCCUPATION: Business Owner

AGE: 46

As a parent, businessman and fiscal conservative, I am committed to ensuring our precious tax dollars provide world-class education at Saddleback and Irvine Valley Colleges. Affordable education creates jobs, increases earnings and decreases reliance on government programs.

Our community colleges are thriving institutions enabling students to transfer to universities, develop skills required for gainful employment, or—like my 91 year old father-in-law—participate in lifelong learning through the Emeritus Program.

As the Executive Director of the American Electronics Association of Orange County, I saw our community colleges provide students with technical and certificate programs employers require to compete globally. I will continue to expand partnerships between businesses and educational institutions that promote economic growth.

My involvement in our community includes volunteering with PTA, business mentoring, my church, community workshops and coaching youth athletics.

I'm proud to be supported by County Supervisor Todd Spitzer, Mission Viejo Mayor Frank Ury, Assemblyman and former Community College District Trustee Don Wagner and others.

I share your concerns about our children's future and recognize education is the key to their success in a global economy.

As your Trustee, I will be committed to fiscal accountability and quality education our community deserves.
